

Install Smarters Player Lite on iOS and Mac

Follow these steps to install Smarters Player Lite on an iPhone, iPad or compatible Mac and log in using the details supplied by your IPTV provider.

1. Download Smarters Player Lite

1. Open the official App Store link:

<https://apps.apple.com/za/app/smarters-player-lite/id1628995509>

1. Confirm the app is **Smarters Player Lite** by **WHMCS SMARTERS**.
2. On iPhone or iPad, select **Get**, then open the app after installation.
3. On a compatible Mac, open the link in the Mac App Store, select **Get** or **Install**, then open the app.

Mac installation requires macOS 12.5 or later and a Mac with an Apple M1 chip or later. The App Store may describe it as an iPad app that is not verified for macOS.

2. Log in

1. Accept the terms if requested.
2. Select **Login with Xtream Codes API** or **Add User**.
3. Enter the details supplied by your IPTV provider:

Any Name: My IPTV
Username: YOUR USERNAME
Password: YOUR PASSWORD
Server URL: <http://your-server-address.com:port>

1. Select **Add User** or **Login**.
2. Wait for the channels, movies, series and TV guide to load.
3. Open **Live TV**, **Movies** or **Series**.

Make sure the server URL includes the correct <http://> or <https://> and port number, with no extra spaces in any login field.
